

**Florida Community College at Jacksonville**  
**EXTRA TEACHING TERM AGREEMENT**

I agree to teach 15 Workload Units (WLU) in an Extra Teaching Term designated as \_\_\_\_\_ for \$10,000 compensation per Article 28-Compensation of the collective bargaining agreement between the Florida Community College Faculty Federation (FCCFF) and the District Board of Trustees of Florida Community College at Jacksonville.

I understand my base pay will be paid in 24 semi-monthly installments beginning in the first term in which I teach in the academic year, and that the \$10,000 compensation for the Extra Teaching Term will be paid in 3 \_\_\_\_\_ or 6 \_\_\_\_\_ semi-monthly installments within that term (check one).

I further understand that in the event sufficient enrollment is not available to generate **15 WLUs**, I may be asked to teach only those courses that are necessary to meet student demand. In that case, compensation will be based on the WLU value of the course(s) taught.
