**TERMINATION OF AUTHORIZATION TO
DEDUCT ALLOWABLE CHARGES FROM
FEDERAL STUDENT AID**

Student's Name

Social Security #

Today I am informing Florida Community College at Jacksonville (FCCJ) not to deduct allowable charges from my federal financial aid.

I understand the following:

I will not be eligible to receive a Bookstore Authorization and will be responsible to pay for books from my own resources.

I will not be eligible for a deferment of my tuition and fees and will be responsible for payment of my tuition and fees from my own resources.

FCCJ will continue to deduct debts incurred by me prior to the received date on this form.

In the event that I incur a debt to FCCJ in the future, I understand that I am responsible for payment of that debt. Failure to pay may result in a delay in receiving my financial aid, additional collection costs, and a hold on registration, transcripts and graduation.

This termination applies to federal financial aid only. FCCJ will continue to deduct debts to the College from state, institutional, or private aid.
