

## Shining Stars Program

Camp Broadway is proud to announce **Shining Stars** Jacksonville, an introductory, ensemble-based program that allows theatre-lovers, ages 6-9, to get in on the Camp Broadway act! This program introduces our youngest artists to the professional theatre while teaching the spirit of support, collaboration and sharing that Camp Broadway celebrates.

**Shining Stars** includes five half-days of classes in singing, dancing and theatre arts. It also includes many of the elements that have made our original Camp Broadway so famous, including an official t-shirt, head shot, certificate of performance and the Family Finale, a final presentation for family and friends.

At **Shining Stars**, every minute is filled with fun and exciting activities. The program is limited to 25 children because we are committed to providing an intimate environment that delivers personal attention to our youngest theatre-loving children.

### **Musical Classes, Rehearsals and Run-throughs**

During the five-day program, our children, are in classes from 9am-1:30pm. These classes include chorus call, dance call, rehearsal and run-throughs dedicated to teaching basic performance techniques while creating and perfecting dialogue, musical numbers and dance routines for a final musical presentation. **Shining Stars** features a selection of Broadway's best loved musicals, appropriate for our young age group and sensibility. Past shows include *Annie*, *101 Dalmations*, and *The Wizard of Oz*.

### **Workshops**

Past workshops have included storytelling, rhythm and puppetry to round out the program to offer children imaginative activities outside of the rehearsal setting. In addition, children participate in a variety of arts and crafts workshops to create the sets and costumes for our featured musical presentations.

### **Lunches and Snacks**

Lunchtime is an opportunity for our children to play and socialize. Lunches are provided by the FCCJ Artist Series for children and staff each day. In addition to lunch, healthy snacks will be provided each morning. These snacks may include pre-packaged snack foods, fruit, trail mix, cookies, granola bars, juice, water and other child-friendly foods.

### **Family Finale**

The last day of **Shining Stars** is dedicated to preparing for an afternoon presentation for family and friends. All family and friends are invited to cheer the participants on as they present their work.

**Please contact FCCJ Artist Series if you have any additional questions!**
