Adult Education

Faculty Development Starts Here!

We strive to provide professional development opportunities for all Adult Education faculty so that we continue to offer outstanding instruction and support services to our students.

Based on the technology survey we recently sent out, many of you apprised us of your technology training preferences.

From that list these are the technology trainings currently offered through FCCU.

Blackboard 7.1

Excel 2007

Power Point 2007

Word 2007

Access 2007

Orion

Outlook 2007

We also recommend the following FCCU student success trainings.

Developmental Advising vs Prescriptive Advising

Workforce Credit/PSAV & Adult Studies Program Placement

Course & Program Exit Requirements

GED Testing
