

# Transfer Advising Sheet for Electronics Engineering Technology Program

Florida Community College at Jacksonville  
Associate of Science in Electronics Engineering Technology\*

Articulated Program with Florida A & M University  
Bachelor of Science in Electronics Engineering Technology Degree

This transfer institution has agreed to accept the specified associate's degree from FCCJ. The FCCJ graduate will be accepted at the junior level, and is required to complete the equivalent of two years of full-time coursework to complete the specified bachelor's degree. The following chart shows the specific courses that the FCCJ student is required to take to meet the guidelines of the articulation agreement with the transfer institution.

It is very important to make sure that your Program of Study at FCCJ is Associate of Science in Electronics Engineering Technology. If you do not plan to transfer to this specific transfer institution, please follow the Program of Study, as specified in the College Catalog.

**Florida Community College's A.S. degree program "Electronics Engineering Technology" is not accepting any new applications at this time; however, the FAMU program is still an existing option. This articulation agreement is only an option for recent graduates of FCCJ's AS Electronics Engineering Technology program, or those FCCJ students currently enrolled in the program.**

## General Education Notes:

- Please review the Florida Community College Catalog for General Education Requirements (GER).
- CLAST (College Level Academic Skills Test): The CLAST is a graduation requirement for the bachelor's degree in the state university system of Florida. Passing all four subsets of the CLAST exam, or satisfying a CLAST exemption, is a requirement for meeting the bachelor's degree graduation requirement. Students are encouraged to take and pass the CLAST while at the community college.
- Foreign Language Requirement: Students who have not completed two years of sequential foreign language study or American Sign Language in high school must complete 8 hours of college level foreign language or American Sign Language at FCCJ. This requirement must be completed at FCCJ, prior to admission to FAMU.
- All General Education courses require a grade of "C" or above.

## Prerequisite and Elective Notes:

- All prerequisite courses require a grade of "C" or above.
- A major prerequisite course may satisfy both FCCJ General Education Requirements and FAMU Major Prerequisites. Please review the General Education Requirements and talk with an advisor.
- Professional Electives to be chosen from an approved list in FCCJ Catalog

## Other Notes:

- Qualified students will have completed a minimum of 64 semester hours before transferring.
- Students who complete their FCCJ course work under the terms of the catalog in effect during the term of their registration must graduate within five years or they will automatically be reassigned to the catalog in effect during their fifth year.
- If you do not plan to transfer to this specific transfer institution, please follow the Program of Study, as specified in the College Catalog.

**Please check with a Florida Community College advisor or counselor for more information.**
